FOUNDATION

Fiscal Year 2017 ANNUAL REPORT

TRULY, I SAY TO YOU, AS YOU DID
IT TO ONE OF THE LEAST OF THESE
MY BROTHERS, YOU DID IT TO ME.

MATTHEW 25:40

PROVIDENCE HOSPITAL FOUNDATION

Our Mission

Through philanthropy, Providence Hospital Foundation is an advocate for those in need, and ambassador for the mission of the hospital, and a steward of the resources entrusted to it.

Our Purpose

Established in 1984, Providence Hospital Foundation is a not-for-profit organization which receives charitable gifts to Providence Hospital. The Foundation manages donors' gifts according to donors' wishes, to support the continuing healthcare ministry of the Daughters of Charity in Mobile, Alabama. The Foundation allows the hospital to reach many people it might not otherwise be able to help. The Foundation works with the Hospital in meeting the identified needs of the communities we serve. Contributions to the Foundation help to fund programs, buildings and equipment.

Letter from Todd Kennedy
President and Chief Executive Officer, Providence Hospital

Dear Supporters,

During Fiscal Year 2017, Providence Hospital celebrated thirty years at its present location. We remain today as we did thirty years ago, a family of caregivers with one common mission: to remain rooted in the loving ministry of Jesus as Healer while serving all persons, with special attention to those who are poor and vulnerable.

We work very hard to achieve a high standard of compassionate care. With the Foundation's support and the support of our health system, we began multiple projects across our health ministry to provide better access to care to improve the health of our community.

One of the major projects for 2017 was the completed renovation and grand opening of the Beth M. Rouse Rehabilitation and Wellness Center. Providence's Rehab and Wellness patients, along with our community, will enjoy the refurbished center thanks to funds raised by the 2016 Festival of Flowers, the Providence Hospital Foundation's annual spring community event and a Foundation donor.

Providence delivered 1,632 babies last year, more than any other private hospital in our area. To keep up with this demand, the Louise Robinson Moorer Women's Center is in the process of receiving necessary equipment upgrades due to donor generosity through the Annual Fund and the 2017 Festival of Flowers proceeds.

Another major project was the acquisition of our new PET/CT scanner. Providence Hospital has become the only health care facility in south Alabama to install a big bore PET/CT scanner. The new technology will expand noninvasive PET, CT and PET/CT imaging services for a wide range of cancer patients. The higher level of accuracy improves the hospital's ability to diagnose, treat and monitor disease by detecting the smallest lesions more precisely. We are also excited to announce a \$1.5 Million dollar renovation to the cardiac monitoring floor located on the 10th level of the hospital which will soon get underway.

My thanks go out to each and every patient, friend and associate who has supported Providence Hospital and the Foundation's work. Fiscal Year 2017 was a strong year for Providence Hospital. With your support, we look forward with confidence to continuing to deliver the best in patient centered, faith-based healthcare.

Sincerely,

Todd Kennedy
President and CEO
Providence Hospital

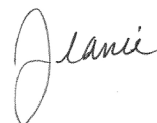

Message from Jeanie Wilkins
Chairman of the Board, Providence Hospital Foundation

Dear Friends,

We have had a wonderful year and are looking forward to much success as we celebrate the Festival of Flowers' 25th Anniversary. Your partnership, as a valued donor and friend, makes a remarkable difference in the lives of our patients, our patient families and to the broader community.

Please accept my gratitude for all you do in supporting Providence Foundation.

Sincerely,

Jeanie Wilkins

Message From Mimi Lyons Bell
Providence Foundation Executive Director

Dear Donors,

Thank you for your commitment to Providence.

Whatever the amount of your gift to the Annual Fund, all made a difference. This year, you made great things happen for Providence and the Louise Robinson Moorer Women's Center. Birthing mothers and newborns needed upgrades to equipment and you, our generous donors, delivered. Please renew your support of Providence in 2018 as we continue to make advances in mother-baby care.

When you give to Providence Foundation, you can be assured that every dollar stays local to the benefit of your hospital and the community it serves.

To our Providence family, thank you!

Mimi Lyons Bell

Amusement surrounded the 2017 Festival of Flowers on March 23-26! Imagination and intrigue met fun and fantasy in Providence Hospital Foundation's 24th annual floral event. Presented by Wells Fargo, the light-hearted theme, "Wildly Whimsical," set the tone for a one-of-a-kind experience. Landscape Architect Joe Comer designed an adventurous landscaped world that delighted visitors of all ages.

The Gala was held on Wednesday, March 22nd with over 800 guests in attendance. Sunday, March 26th was all-a-buzz with Family Fun Day. Over \$78,000 was raised and used to purchase Labor and Delivery equipment for the Louise Robinson Moorer Women's Center.

GOLF CLASSIC

The 17th Annual Providence Hospital Foundation Golf Tournament was held on October 13th at the Steelwood Country Club in Loxley, AL. The event benefits Camp Bluebird, a camp for adult cancer survivors, and the Cancer Center at Providence Hospital. The 2016 Tournament was sponsored by Iberia Wealth Advisors. Tim Gaston was the Chair and Palmer's Toyota Superstore was the Hole-In-One sponsor.
