Fiscal Year 2020
ANNUAL REPORT

PROVIDENCE HOSPITAL FOUNDATION

Our Mission

Through philanthropy, Providence Hospital Foundation is an advocate for those in need, and ambassador for the mission of the hospital, and a steward of the resources entrusted to it.

Our Purpose

Established in 1984, Providence Hospital Foundation is a not-for-profit organization which receives charitable gifts for Providence Hospital. The Foundation manages donors' gifts according to donors' wishes, to support the continuing healthcare ministry of the Daughters of Charity in Mobile, Alabama. The Foundation allows the hospital to reach many people it might not otherwise be able to help. The Foundation works with the Hospital in meeting the identified needs of the communities we serve. Contributions to the Foundation help to fund programs, buildings and equipment.

Letter From Todd Kennedy
President and Chief Executive Officer, Providence Hospital

Dear Supporters,

During Fiscal Year 2019, Providence Hospital along with the Foundation's support, began multiple projects across our health ministry to provide better access to care to improve the health of our community.

One of the major projects for FY2019 was the construction and opening of our \$4.8 million-dollar Hybrid Operating Room. This new type of OR allows for very intensive case types in a hi-tech surgical environment that allows for minimally invasive heart and vascular surgeries. The Hybrid OR imaging technology allows for real time body imaging during surgery and is the best of its kind in the Mobile marketplace.

Providence also added a new GI physician to our medical group, Dr. Latasha Henry, who brought with her new capabilities and innovative technology. Dr. Henry now offers to our patients and families the ability to perform Endoscopic Ultrasound procedures which are minimally invasive procedures to assess digestive diseases. With the use of EUS equipment, Dr. Henry can use high-frequency sound waves to produce detailed images of the lining of the walls of the digestive tract and nearby organs to seek out disease states without the need for an open surgery. We welcome Dr. Henry and her family and thank her for joining Providence Health System.

I also want to welcome Dr. Lindsey Beakley who is a Fellow Trained Breast surgeon who also has brought new surgical techniques and equipment to improve our breast program. Dr. Beakley, along with our new Radiation Oncologist, Dr. James Galle are partnering in utilization of our new Linear Accelerator to bring the best in Breast treatments available to battle breast cancer in our community.

Finally, to improve overall campus protection and security and to protect those we serve, a new security monitoring system was installed along with new parking lot and roof cameras to show detailed, live images of the state of security on Providence's 200-acre campus. If you feel like you are being watched, it is because you are! At all times our cameras are monitored, and the detail now is more amazing than ever. The new security system and our close partnership with Mobile police, allows a quick response to any potential issue that may arise on our campus.

These are just a few of many projects that occurred in FY 19 to better visitor, patient, and clinician experience here at Providence. All these changes were not without struggle, but the improvements they bring continue to strengthen Providence's abilities to serve our Mobile families.

My thanks go out to each and every patient, friend and associate who has supported Providence Hospital and the Foundation's work. Fiscal Year 2019 was a strong year for Providence. With your support, we look forward with confidence to continuing to deliver the best in patient centered, faith-based healthcare.

Todd Kennedy
President and CEO
Providence Hospital

Message from Jeanie Wilkins
Chairman of the Board, Providence Hospital Foundation

Dear Friends,

Fiscal year 2019 has been a very successful year for Providence Foundation. This year, more than 1,500 volunteers, designers, florists, and landscapers came together to offer a breathtaking Dutch Garden themed 26th annual Festival of Flowers that attracted travelers from across the country. The level of support and generosity Providence Foundation has received from our donors and volunteers is truly overwhelming.

On behalf of the Board of Directors we would like to express our appreciation for your continued support as we look ahead to build on this year's momentum and success.

Sincerely,

Jeanie Guthans Wilkins

Message from Mimi Lyons Bell
Providence Hospital Foundation Executive Director

Dear Donors,

I would like to sincerely thank the friends and supporters of Providence Foundation for your continued commitment to our mission of advocacy for those in need. It is because of your compassionate and continuous support that we are able to continue our journey of serving and supporting our hospital, its patients, their families and our community.

Your generous donations during our 2019 fiscal year have allowed Providence Foundation to fund new cardiac care equipment, major hospital renovations, and help support local families and associates in need.

This report is just a snapshot of all we have accomplished during our year, none of which would have been possible without your support.

With gratitude,

Mimi Lyons Bell

FESTIVAL OF FLOWERS

PROVIDENCE HOSPITAL FOUNDATION

The 27th Annual Festival of Flowers was cancelled due to COVID-19. However, we are grateful to the many members of the community that allowed their generous donations to remain for the sustainability of the Festival of Flowers or for the benefit of critical care heart monitors at Providence Hospital.

We are especially thankful for Festival Designer, Dale Speetjens, and Design Committee members Brenda Huddle, Catherine Arensberg, Ron Barrett, Bill Barrick and Chuck Owens; as well as the leadership of Festival Chairs Mary Emily Miles, Claire Wilson and the entire Festival Committee.

C.J. Angelette, Will Bridges, Sam Kinsaul and Medxcel FM worked tirelessly to build and preserve, so we will "Zen Again" on March 25-28, 2021.

The 27th Annual Lawrence E. Fetterman, M.D. Memorial Lecture

The 27th annual lecture was held on October 6th at the Country Club of Mobile. Planned in accordance with the Accreditation Council for Continuing Medical Education and through the joint providership of the University of South Alabama College of Medicine and Providence Foundation, Mobile County Medical Society Members were invited to earn CME credit by way of a dinner lecture conducted by Marc Milstein, PhD of Los Angeles, CA. Dr. Milstein spoke on Keeping Your Brain Young & Lower Risk for Dementia.

Coronet Society

The Coronet Society Dinner, honoring \$1,000 and above donors, was held on January 9th at the Country Club of Mobile. Jeanie Wilkins was recognized for her dedicated leadership as Providence Foundation Chair. After cocktails and mingling, guests enjoyed a seated dinner of filet and sea bass with delightful accompaniments. The Festival of Flowers Featured Artist, Mary Elizabeth Kimbrough, displayed her distinctive artwork and guests were thrilled at the opportunity to try for a stunning Goldstein's Trivia Contest, ruby and diamond ring.

Robert G. Clapper was the 2019 Providence Foundation Charity Golf Classic Honorary Chair. The event raised over \$20,000 and benefits The Cancer Center at Providence and Camp Bluebird. Thanks to Title Sponsor Iberia Wealth, and Hole in One Sponsor Palmer's Toyota Superstore and Beer Cart Sponsor Crown Health Care Laundry.

NEXT TOURNAMENT
SEPTEMBER 15, 2020

The Providence Hospital family mourns the death of G. Timothy Gaston on March 27, due to the effects of COVID-19. Tim was a towering figure, both in stature and in presence. His smile and personality lit up every gathering. He capably and selflessly promoted the betterment of his community through a number of organizations and was devoted to Providence Hospital, serving as Treasurer of the Providence Foundation Board (2003-2013), and Chairman of the Providence Hospital Board (2014-2017).
