

Thank you for sharing Ascension Via Christi's mission to improve the health of individuals and communities. Whether your gift supports the development of innovative technologies and treatments or provides direct assistance to our most vulnerable patients, your partnership is valued and appreciated. For this we are grateful. Together, we can ensure that all people have access to the spiritually-centered holistic care offered through Ascension Via Christi.

2,879 donors like you gave nearly
\$2.9 MILLION
to Via Christi Foundation

3,075 financially struggling patients
and associates received assistance

Ascension Via Christi associates, volunteers and business partners contributed more than **\$444,031** to the One Community Campaign which supports Via Christi Foundation and United Way of the Plains programs and projects.

Our Partners Help Us Make a Difference!

Two new partners join CMN Hospitals at Ascension Via Christi in 2020, Club Car Wash and Spirit of Halloween. We look forward to long partnerships with both to benefit sick and injured Kansas kids served by our hospitals and clinics.

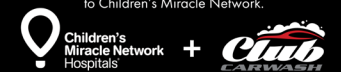

TEN DOLLAR TUESDAYS

Receive our MVP Wash for only \$10 every Tuesday!

(A \$25 Value. Valid at all locations)

\$1 from every MVP wash will be donated to Children's Miracle Network.

Doctors' Day 2021

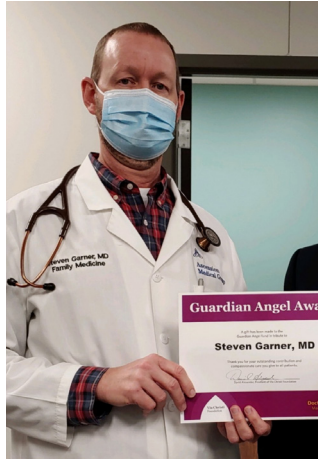

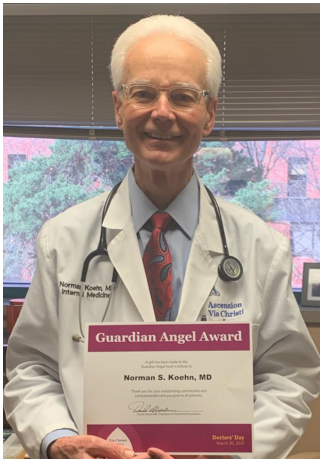

For National Doctors' Day, Via Christi Foundation invited patients to pay tribute to their favorite doctors by making a gift in their name to its Patient Assistance Fund.

Nearly 200 donations were received, providing help to patients in need and lifting the spirits of the physicians they honored with their gifts and kind words.

More than 90 individual physicians were recognized this year by their patients or family members. Four PAs and one APRN also were honored.

Each physician honoree received a special guardian angel pin and certificate and the satisfaction of knowing that their contribution to patients' wellbeing and the health of our community is noticed and appreciated.

Thank you to all the donors for partnering with Via Christi Foundation to honor local doctors for their service and commitment to the health of our community.

Par-tee'd like it was 1981!

Proceeds from the 40th Via Christi Foundation Charity Classic Golf Tournament will benefit two programs that exemplify Ascension Via Christi's mission: Cancer Wellness, which helps patients maintain their fitness before and after their treatment, and the International Family Medicine Fellowship, which trains physicians to care for patients in the most underserved communities worldwide.

The 2021 tournament, presented by Kansas Imaging Consultants, was held on April 23, 2021, at Crestview Country Club in Wichita — the same location of the inaugural tournament in 1981. Morley Healy, the first woman to chair the Charity Classic, led the executive committee in raising the most donations in the history of the event.

Thank you to all of the sponsors, golfers, executive committee and volunteers for their support and generosity!
