FAQS

What is One Community?

One Community is Via Christi Foundation's associate giving program. It offers all associates a way to give back to the community in which they live and work.

Why are you asking for philanthropic support from associates at this time?

Every year Via Christi Foundation hosts the One Community Campaign. We do this on an annual basis, so we are coming to associates only one time throughout the year to ask them to consider making a pledge or gift.

I already give so much of my time to Ascension Via Christi.

Why should I give back financially?

While the sacrifices you make for Ascension Via Christi are immeasurable, making a voluntary philanthropic contribution is another way to support our mission and invest in its future. Additionally, areas supported such as patient assistance and associate assistance are mostly funded from your generous contributions to the campaign.

I give to other not-for-profit organizations.

Why should I also support the One Community Campaign?

Each year, more than 2,000 associates support the One Community Campaign. Your willingness to join them makes a powerful statement to your colleagues and to our benefactors. Ascension Via Christi, Via Christi Foundation and United Way of the Plains are not-for-profit organizations. All gifts are tax-deductible.

Can I designate my gift?

The One Community Campaign supports many services and programs:

At Ascension Via Christi:

- **Areas of greatest need** – giving just-in-time support to patients, associates, programs and services when the need arises.
- **Associates in need** – helping fellow staff in times of financial hardship.
- **Children's Miracle Network** – providing innovative care and services to sick and injured children in our region
- **Forensic Nursing/Human Trafficking Prevention** – providing justice, hope, and healing for victims of sexual assault and domestic violence.
- **International Family Medicine Fellowship** – training and support for family medicine physicians as they serve at hospitals overseas.
- **Patients in need** – providing clothing, durable medical equipment, medicine, and transportation.

At United Way of the Plains:

- **2-1-1 Information Line** – connecting people to the local help they need.
- **Local nonprofit programs support** – addressing our community's most pressing needs in the areas of education, income, and health.
- **Help Center** – providing financial assistance and food to those impacted by the pandemic or layoffs.

Go online to direct which organization (or both) will receive your gift. It will be distributed among all the programs by the One Community committee. Via Christi Foundation donations do not go toward administrative costs — 100% of the funds go to direct care.

Is participation in One Community required?

While we hope all associates will be motivated to make gifts, your participation is voluntary.

Will my small gift make a difference?

Gifts of all sizes are needed and make a difference.
