

A Walk in the Park for Parkinson's

2022 Sponsorship Opportunities

With more than one million people affected by Parkinson's Disease in the United States, Ascension Genesys Health Club and the Ascension Genesys Foundation have teamed up to provide exercise classes and education for people with Parkinson's Disease and their care partners to help them be as active and healthy as possible.

Thanks to our event sponsors, we ensure that exercise and education programs are available and financially accessible to all people with Parkinson's and their care partners.
