Event Opportunities

Ascension
Providence Rochester
Foundation

Thank you

On behalf of Ascension Providence Rochester Foundation and our event committees, we thank you for your consideration of these opportunities. Both events listed below support the Mission of Ascension, a Catholic health ministry committed to providing spiritually centered, holistic care which sustains and improves the health of individuals in the communities we serve with special attention to the poor and vulnerable. Our values include Service of the Poor: giving of our time and talents with a generosity of spirit, especially for persons most in need; and Reverence: respect and compassion for the dignity and diversity of life.

The patients and families who depend on our ministry thank you for your support of our events and for helping to ensure a healthy community.

Sincerely,

Kim Tyle

Chief Development Officer

Ascension Providence Rochester Foundation

2023 Events

Ascension Providence Rochester Golf Classic

Date: Tuesday, June 27, 2023

Location: Wyndgate Country Club, Rochester Hills

Expected Number of Attendees: 144

Beneficiary: Ascension Providence Rochester Hospital, as a certified Age-Friendly Hospital, has a strong commitment to caring for seniors in our community. Proceeds from this year's Golf Classic will benefit senior patients in need of additional support after being discharged from the hospital. The purpose of this program is to make sure that patients have the resources they need for the four weeks after treatment progressing through recovery. This concierge-type program will help support senior patients with regular check-in calls and help remove any barriers to progressing in their recovery (e.g., transportation, medication, food, etc.).

Mangia é Bocce

Date: Saturday, October 7, 2023

Location: Palazzo di Bocce, Lake Orion, MI

Expected Number of Attendees: 250

Beneficiary: Event proceeds to benefit the mental health crisis in our community. One in five adults in the country live with mental illness. Effectively supporting these individuals, who are friends, family members and coworkers, is vital to the well-being of our communities. Your support will increase access to evidence-based Mental Health First Aid instructor training and community programs teaching people to identify, understand and respond to signs of mental health and substance use challenges and crises, and provide the resources for these individuals to get help. Everyone needs to know the "CPR for mental health."
