ABOUT

Since 2000, a group of women at Lochmoor Club have organized a charity golf event to raise money for cancer research and support. For the first 16 years, the money was donated to the Susan G Komen Foundation. In 2017, the decision was made to keep the funds raised closer to home, and the Ascension St. John Hospital Needy Patient Fund was chosen as our recipient. LFC has raised over \$200,000 for needy cancer patients and their families living in Metro Detroit.

The Van Elslander Cancer Center Needy Patient Fund assists cancer patients with financial burdens such as copays for medical bills, utility bills transportation, assistance with prescription payments, etc. The mission at Ascension is rooted in the loving ministry of Jesus as healer; they commit themselves to serving all persons with special attention to those who are vulnerable and poor.
