**Thursday, June 6**

9 a.m. Registration • 10 a.m. Start

Red Hawk Golf Club, East Tawas

**Ascension St. Joseph  
Foundation**

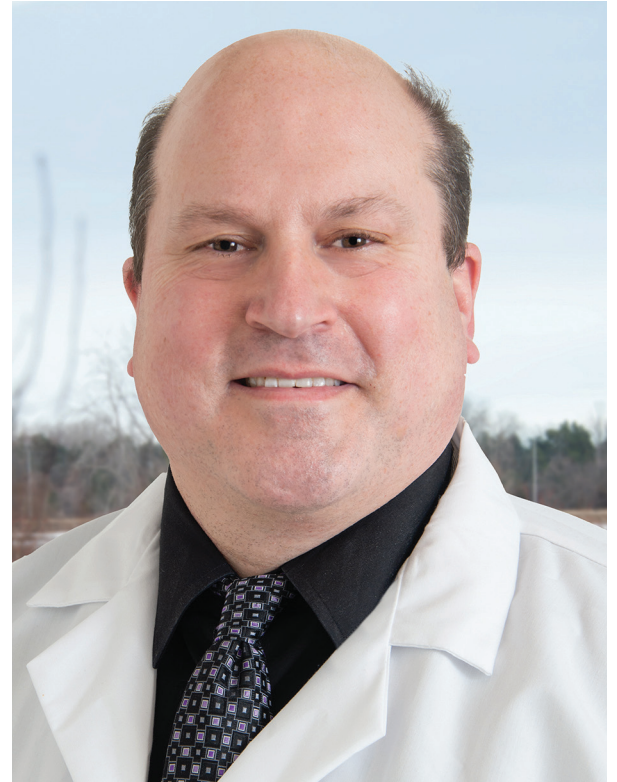

# It's more than just playing golf

## Golf proceeds to support growth in orthopedic medicine at Ascension St. Joseph Hospital

Ascension St. Joseph Hospital is pleased to introduce board-certified orthopedic surgeon and sports medicine physician **Dr. David Lemos**. He is providing orthopedic care to patients at Ascension St. Joseph Hospital Bone and Joint Center. As a highly experienced, board-certified orthopedic surgeon and sports medicine physician, Dr. Lemos provides a continuum of services including total joint care for knee, hip and shoulder; foot and ankle reconstruction and deformity correction; arthroscopy of the shoulder, elbow, knee and ankle, with procedures to include rotator cuff repairs, ACL reconstruction and meniscus repairs. As a sports medicine physician, he offers advanced treatment of sports-related injuries including degenerative problems of the shoulders, knees, ankles, feet and elbows.

A graduate of Boston University School of Medicine, Dr. Lemos completed an orthopedic surgery residency at McGill University in Montreal, Canada, and a fellowship in foot and ankle reconstruction at Michigan International Foot and Ankle Center in Pontiac, Michigan. With a special interest in sports-related injuries, he completed a sports medicine fellowship at Detroit Medical Center. During that training, he assisted in orthopedic care to the Detroit Tigers, Detroit Pistons and Detroit Red Wings, among other sports teams.

**Thank you  
for making a difference!**
