

Ascension St. Mary's
Foundation

37th ANNUAL
CHARITY GOLF CLASSIC

2024

Ascension St. Mary's Foundation Charity Golf Classic

Presented by Remer Plumbing, Heating & Air Conditioning

Wednesday, May 22

8 a.m. Registration, 9 a.m. Start

Apple Mountain Golf Club, Freeland

Ascension
St. Mary's

1874 **150** 2024
ANNIVERSARY

It's more than just playing golf

Community outreach screening programs

As part of this work, you'll see the Ascension St. Mary's mobile mammography bus traveling into regional rural communities. The goal of community health screenings is to actively seek to identify and respond to community needs, reduce disparities and ensure equitable access to care, quality and experience. We do this to improve the lives, health outcomes, and environment of individuals and communities.

Patient care

A portion of the golf proceeds will also support FlightCare patient care equipment for both pediatric and adult patients. FlightCare is a leading air medical transport provider in Michigan. Since inception in 1987, FlightCare has been providing air medical transportation and outreach education to local communities, healthcare systems and have flown more than 15,000 medical missions.

FlightCare provides safe, rapid, high quality air transportation for critically ill and injured patients within the Lower Peninsula of the state of Michigan in a professional and compassionate manner.

**Thank you
for making
a difference!**
