1874 SOCIETY

Today, Ascension St. Mary's honors its heritage that began with four Daughters of Charity caring for lumberjacks, river men and sawmill workers in 1874. The spirit and the mission of those four founding Daughters of Charity are celebrated each and every day at Ascension St. Mary's. You may now honor the work and dedication of the caregivers who have engaged our hearts and made this community a better place to live by joining the 1874 Society.

Ascension St. Mary's 1874 Society recognizes the contributions of those who support the health system's tradition of healing excellence with annual gifts of \$500 or more. Society members are exceptional. Their financial gifts enable Ascension St. Mary's to do what it does best ... deliver the healing edge to our community and beyond.

The investment made by our 1874 Society members allows Ascension St. Mary's to drive discovery, pioneer medical breakthroughs in cardiac sciences, neurosciences, cancer care and trauma, while making our community a better place to live.

Each recognition level reminds us of Ascension St. Mary's core values - the strong foundation for the work we do on a daily basis. The names of those who contribute \$500 or more annually will be inscribed on the donor wall located in the main corridor of the hospital.
