

Light a  
**Love Light**  
THIS CHRISTMAS

Ascension  
St. Elizabeth Hospital  
Foundation

Ascension  
at Home

The **Ascension St. Elizabeth Hospital Foundation** and **Ascension at Home** invites families, friends and local community partners to honor the memory of departed loved ones and to celebrate those closest to us during the holiday season this year.

The **Love Lights** program provides a way for you to give thanks for these special people in your life, living or deceased, by dedicating a light on our indoor Christmas tree at Ascension St. Elizabeth Hospital or illuminating an outdoor tree in their honor in our new Love Lights Tree Village lighted display along Oneida Street.

## Love Lights Ceremony

Monday, December 7 at 5:15 p.m. – ONLINE

[www.facebook.com/AscensionStEFdn/](http://www.facebook.com/AscensionStEFdn/)

For the health and safety of our community, this year's Love Lights tree lighting ceremony will be a virtual event. Please join us for this online Facebook event on the Ascension St. Elizabeth Hospital Foundation page. **Together**, we will light the tree, share a prayer service and hear about the many benefits your donations provide for others.

## Love Lights Tree Village

While we are unable to invite guests into the hospital this year, we are happy to bring the lights outside to you. The new Love Lights Tree Village, featuring glowing Christmas trees of all sizes, will brighten spirits and uplift our caregivers all season long. We invite you to enjoy the display along Oneida Street, which will remain lit into January.

*All donations are tax deductible and will benefit the St. Elizabeth Hospital Volunteer Pledge Fund and the Ascension at Home-Hospice fund, providing grief support, end of life care, and assistance to the less fortunate. Direct your donation to the fund of your choice:*

### St. Elizabeth Hospital Volunteer Pledge Fund

St. Elizabeth Hospital Volunteers practice the values, promise and mission of Ascension by providing support to a number of life-saving programs at Ascension St. Elizabeth Hospital. Their efforts help fund a number of crucial hospital priorities by purchasing innovative medical equipment and necessary supplies, funding life-changing healthcare and wellness programs, and financially supporting the critical care of the less fortunate members of our community.

### Ascension at Home - Hospice

Ascension at Home - Hospice provides holistic, end-of-life care to people of all ages, with any terminal diagnosis, wherever they call home. Their survivors are provided with grief support for more than a year following the death, helping them through the painful first year and first anniversary of the loss. Grief support services are available to anyone in the community free of charge, regardless of their involvement with hospice prior to the death.
