Our Giving Societies

Ascension is a faith-based healthcare organization dedicated to transformation through innovation across the continuum of care. We fulfill our promise to those we serve by delivering healthcare that works, healthcare that is safe and healthcare that leaves no one behind.

Providing a safety net for people who might otherwise go without healthcare, particularly those who are poor and uninsured, is just one way we impact our community.

Ascension St. Elizabeth Hospital relies on the support of donors like you to present many diverse programs, provide innovative technologies and enhance compassionate care in the Fox Cities communities.

When you join a giving society, you are impacting the lives of others, providing hope and healing in our community.

Become a Giving Partner

Ascension St. Elizabeth Hospital Foundation recognizes donors who see the value in our mission and invest in the future of our hospitals and clinics. All funds raised by our giving societies stay local and fund improvements to our facilities, equipment and procedures, directly impacting patient care.

Samaritan Society – recognizing donors that give \$250 or more annually

1899 Society – recognizing donors with cumulative lifetime giving over \$10,000

Together, investing in the health of our communities

Samaritan Society

A good Samaritan is a person who does good deeds out of compassion and caring, helping others out of the goodness of their heart. We recognize our annual donors in the Samaritan Society.

Your support benefits Ascension St. Elizabeth Hospital, Ascension Calumet Hospital and Ascension Medical Group, sustaining the healing ministry of our hospitals and clinics in the Fox Cities.

1899 Society

On November 19, 1899, the feast day of St. Elizabeth, four Franciscan Sisters from St. Louis came to Appleton to carve out a rich tradition of healing. Their mission was to minister with care and compassion to those in need. The 1899 Society is our opportunity to honor the individuals who champion our work and continue this mission.

The 1899 Society recognizes Foundation friends who contribute at a lifetime level of \$10,000 or more. We are forever grateful for every dollar from each donor – whether the gift was made yesterday or years ago. Your cumulative giving sustains our ability to bring the highest quality healthcare to every member of the communities we serve.
